COURT ASKED TO

Move Made to Enjoin Colby From Issuing Proclamation on. 19th Amendment.

PALMER ALSO IS NAMED

Ratification by W. Virginia Legislature Called Illegal-Fight in N Carolina,

WASHINGTON, July 7 .- Proceedings asking that Bainbridge Colby, Secreamendment ratified, were instituted in the District of Columbia Supreme Court to-day by Charles S. Fairchild of New York, president of the American Con-

titutional League. Mr. Fairchild also seeks to prevent Attorney-General Palmer from enforcing the amendment. Justice Balley issued a rule on Secretary Colby and the Attorney-General to show cause, July 13, why the motion should not be granted. The basis of the proceedings is the

assertion that the ratification of the amendment by the West Virginia Legis-lature was illegal because accomplished by fraud, and that the proposed ratifi-cation by the Tennessee Legislature also would be illegal on the ground that the Legislature lacked authority under the State's constitution to act on the meas-

Only thirty-five States have ratified the amendment, and as ratification by one other is necessary the attack on the amendments through the courts at this time came as a surprise in suffrage circles here. An attack on the legality of the action of the Tennessee Legisla-ture had been expected, but not until the Legislature actually had acted. In anticipation of such a move by the anti-suffrage forces, the organizations supporting the amendment have urged early action by more than thirty-six States so that the amendment could become operative in time to permit the women to vote in the Presidential elec-

ion this year.

Application for the restraining order was said by the National Woman's Party in a statement to-night to indi-cate "the bitterness of the opposition to suffrage and the determination of its opponents to defeat the obvious will

omen of the nation. "We are convinced that, as in the hio referendum case," said the statement, "the willdity of the action of the various State Legislatures in ratifying ance of Almighty God. he suffrage amendment finally will be nterests are evidently grasping at straws in their attempt through court proceed-

and in the case of Tennessee also by the acting Attorney-General of the United States. By filing certificates of ratification with the Secretary of State these States have completed in the mannor prescribed by the Constitution the process of ratification of the Nineteenth Amendment, and we believe that the courts will uphold the validity of their action."

NEW NON-PARTISAN LEAGUE FIGHT ON

Defeated Minnesota Candidates Will Go on Ballots.

MINNEAPOLIS, July 7 .- National Non-Partisan League candidates defeated for Republican nominations in the Minesota State primary will be entered in the November election for those offices as candidates for the Farmer-Labor party, it was decided at a meeting of league leaders here to-day. This programme was approved by acclamation after President A. C. Townley had addressed the gathering, which was said to nclude more than 1,000 members of the Non-Partisan League.

The Farmer-Labor party candidates in the general election in Minnesota two years ago were indorsed by the Non-Partisan League and this year the party filed a complete ticket, which was unopposed in the primary.

According to Mr. Townley the plan is

to substitute candidates defeated in the primary, headed by Dr. Henrik Shipstead for Governor, for the present slate of the Farmer-Labor party, through withdrawals of the candidates now on the ticket.

FARGO, N. D., July 7 .- Thomas Hall, Independent Republican and former Non-Partisan Leaguer, defeated the Non-Partisan League candidate, J. L. Cabill, for the nomination for Secretary the primary of June show. Hall has 54,494 votes against Cabill's 47,978, with 110 precincts missing.

G. O. P. PRIMARY CALL OUT TO-DAY

Chairman Glynn in City for Series of Conferences.

George A. Glynn, chairman of the Republican State Committee, came to the ity yesterday for a series of conferences Saratoga on July 27. He said it would be a gathering that would enthuse the spirits of the party members, "an occa-sion when red-blooded men would get up and speak what was in their hearts and ninds." He has not the slightest doubt that the delegates will recommend a

omplete ticket to the voters.

The Republican executive committee of New York county will issue a call to-day for unofficial primaries on July 19 for the selection of 120 delegates to the

"It seems now," said Mr. Pinchot "that the platform will advocate Govtary of State, be enjoined from issuing ernment ownership of railroads, the any proclamation declaring the suffrage conservation of natural resources for all of the people with no land being held out of use, the restoration of free idly showed the relation of the ideals speech, assembly and press; abolition and opportunities of the order in deals of the injunction and advocacy of col-lective bargaining." Says Democratic Bosses Outplayed Republican Managers.

"The Democratic convention, like the Republican, lost the chance to appeal to the moral element and build permanentfor the future," said William H. Anderson of the Anti-Saloon League, yes terday. "But when it comes to the level of shifty, so-called shrewd politics as played by the professional politicians, the Democratic bosses have outplayed the Republican machine managers. Boss Murphy has shown himself a cleverer craftsman than Boss Barnes, for he has nade a franker and more direct appeal to the wets and at the same time has

not so embittered the drys."

Mr. Anderson said the Democratic situation in New York had been improved by the nomination of Franklin D. Roosevelt, who, he said, has an anti-Murphy and a dry record.
